MARLBOROUGH

Greetings to all our Friendship Force Members.

NZ Conference 19-21st February 2020 .

Stop Press.

There appears to be some confusion as to when we need registrations confirmed. Early Bird registrations close on 30th November -- BUT -- that is also the date we have to pay a deposit for the venue.

If insufficient registrations are received by the 30th November we can't afford this superb venue at the Clubs of Marlborough and this would put the whole conference in jeopardy.

We budgeted for a minimum of 70, and to an all inclusive budget at 90 registrations. (Previous conferences have had 100-120 attend) However, to date, there are only 35 confirmed registrations.

Thus we are frantically trying to source another venue without upsetting the central location to motels. Outside caterers will be a problem but that is our worry.

Members – If you are considering attending your conference, please register before the 30th November.

'Be Visible'

Barry Bridges, Conference Coordinator
