MARLBOROUGH

Greetings Registrants.

Firstly, an apology for changing the venue for the 2020 Friendship Force Conference. Lack of numbers has forced us to find a 'cheaper' venue.

Conference Venue now 'The Cave', 8 Beaver Road, Blenheim
(this is the hall behind the Baptist Church, off High Street)

The hall is still within walking distance from several motels in High Street – however, the opposite end from the original venue of The Clubs of Marlborough.

We are trying to establish a motor pool to pick up and return delegates to their motels as required. . We will need to know accommodation arrangements from you to establish your requirements. Please see attachment enclosed.

The new venue has a free car park next to it for those travelling by car or motorhome.

The Conference Dinner is still to be held at the original venue at the Clubs of Marlborough Taylor Room, upstairs, on the Thursday evening. Refer to your programme, also attached.

Conference Theme 'Be Visible' will have judging for the Best Male and Best Female participant during the Thursday evening dinner.

We enclose the programme as agreed by FF New Zealand Field Reps.

Barry Bridges, Conference Coordinator
